

connect | card

2-for-1 **FOOD** and **FUN**
ACROSS THE REGION

REDEEM YOUR BENEFITS INSIDE THE CONNECT CARD APP!

Beginning Sept. 7, you can redeem benefits right through the Connect Card. No more physical card or benefit brochure needed! Just open the app, login, tap the Redeem button, or browse for the benefits you'd like to use.

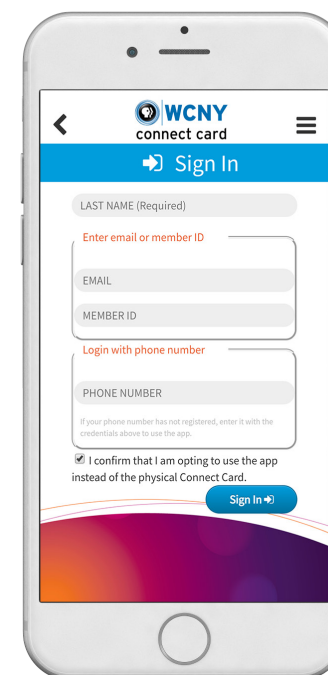

YOUR CONFIRMATION IS NEEDED!

Members can start using the new Connect Card app in place of the physical card by simply logging into the app and selecting "confirm." This confirmation alerts us that you have opted in to using the app, instead of the physical Connect Card.

QUESTIONS?

For more information or questions, contact the WCNY membership team at (315) 385-7312.

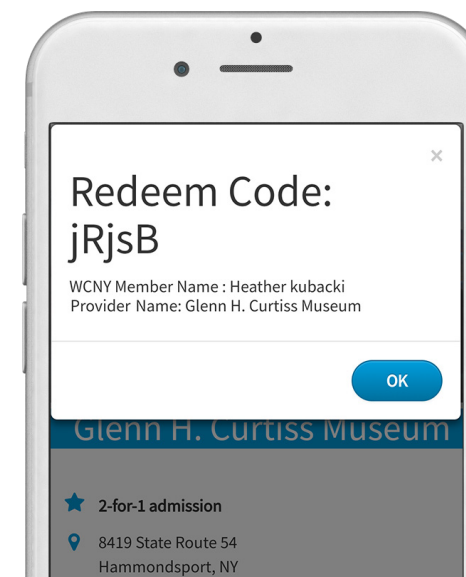

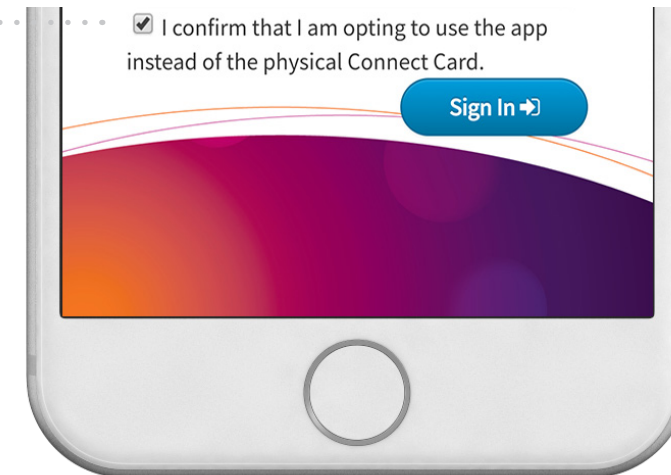

Introducing the **NEW Connect Card App!**
AVAILABLE SEPTEMBER 7!

Sign in using your last name, WCNY membership email or member ID #, and phone number.

Once you've input your phone number along with one of the above mentioned combinations, the app will register your number, and next time you can just use that phone number to sign into the app!

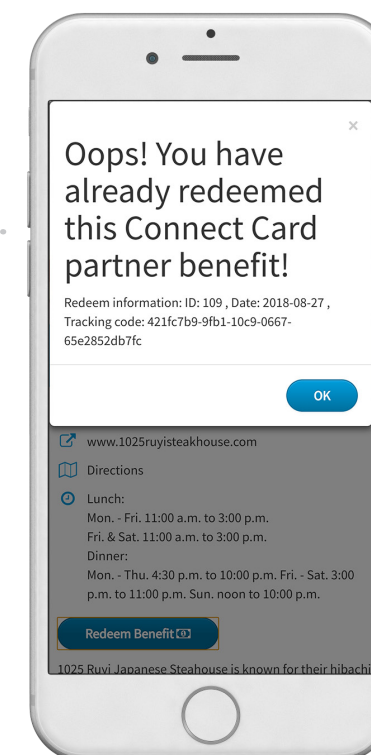

Before tapping the Sign In button, be sure you "confirm" with the check box. This confirmation alerts us that you have opted in to using the app, instead of the physical Connect Card.

Tap the redeem button for a special code.

Show the provider your redeem code.

Look for an email from us that summarizes the benefit you used.

Not sure if you used a benefit? Connect Card won't generate a new redeem code if you've already used a benefit.

Instead, it will show you when you've already redeemed it!

NOT SURE WHERE YOU WANT TO USE YOUR CONNECT CARD FIRST?

We've added redeem buttons with each provider in the app for quick and easy access!
