

My Brother Dominick

By Isabella, Grade 3

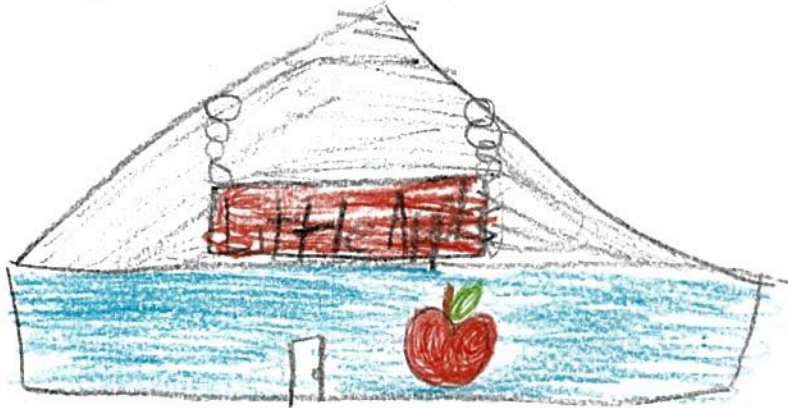

I love my brother. My brother's full name is Dominick Joseph that is why we sometimes call him DJ. The D stands for Dominick and the J stands for Joseph. My brother is four. His favorite game to play is Power Rangers. His favorite movie is the new movie Maleficent. My brother's favorite food is spaghetti with meatballs.

Dominick's favorite colors are green and blue. His favorite sport is soccer (just like me). My brother is very competitive, he loves winning. Sometimes I let him win in games so he doesn't get upset. But he is also very responsible. He makes his bed and does all his chores.

My brother Dominick or DJ loves his school Little Apples. Little Apples is a day care center downstairs from where my Mom works. He calls it school because he thinks it is a school when it's really a day care.

My brother and I love playing soccer. We pretend that our team's name is the Mountain Lions. We also pretend that our arch enemies are the Cobras. We pretend that Dominick is our player.

My brother is amazing. He works hard every day. He knows how to act, talk, and feel the right way. He has his ups and downs but he tries never to give up. My brother and I have a tight bond and it will stay that way forever.
