Bad law!

Law enforcers or destroyers?

We must stop the power hungry law “enforcement”. They are pinning false accusations on innocent civilians and overcharging their fines and spending on personal items. Don’t let these tyrants destroy our economy! Help defeat the corrupt police and lead us to a better future! They have also not included a jury. What! They can’t do that! So join us!

“They took \$11 of my hard earned money for unfounded crimes!”
