3 Enterprise American Citizens get caught walking on grass!

3 Men are caught walking on the grass! Their names are Damian, Aiden K, and Tray. These 3 men were trying to avoid walking into other citizens and ended up walking in the grass. Our police man Hunter caught them, he says "He was surprised to see these 3 men walking in the grass." All 3 men say they did not walk on the grass. But it sounds that our Judge Allison and our Cop Hunter think otherwise.
