

MOON LANDING GAME

Color and cut out the Moon and astronaut to play the Moon landing game!

In this game, players will take turns putting on a blindfold and “landing” the paper astronaut on the Moon. Clear a space indoors or outdoors next to an empty wall. Color the Moon and tape it to the wall. Then, color the astronaut and attach tape to the back. Next, try to place the astronaut on the Moon while blindfolded. Spin around at least three times to make it challenging! Other players can help by saying directions like “step to the right” or “move your arm higher.”
