Special City Day

Enterprise America was special today because we got to experience what a real career is like and how to run a business. Also, we got to work and communicate with people we aren't always used to.

We all learned how to work together and engage in our work.

Stories

The Wellness Center kept everyone safe and healthy. Even though there were multiple bills our company had to pay, it was well worth it. The recommendations for keeping each other safe were great because no one got hurt.

Everyone had a fantastic time and had great behavior!

There is a Nature Shop picture in the bottom left. At the beginning of the day, this company wasn't getting any business. By the end of the day they had several customers.
