Three Reasons Why Enterprise America is the Best City in Upstate New York

Despite the recent criminal activity of just one man, Enterprise America is one of the safest Cities in America. People feel safe walking outside and children walk to and from school.

In addition to the low crime rate, the economy is booming here in Enterprise America. Manufacturing has increased and there are all sorts of new products being manufactured right here. Jobs are up!

Finally, this is a community that cares. Everyone is there for one another, through good times and bad.

"Everyone is doing a great job working together and I rate this community 10 out of 10."

-Mayor Barbuto

The Delivery Center has the best customer service because they are very reliable, accurate and always on time!

Enterprise America thanks you for your hard work!!

" My family is here, and by family I mean the whole community"

"Every day I strive to make sure the Citizens are protected."

-Officer Santu

The Non-Profit Organization is benefitting people with diabetes today. Come out and show your support!!!
