

WCNY's TV Classroom

FAQ

What is WCNY's TV Classroom Network?

In order to provide students at home with opportunities for continual learning, WCNY has partnered with the Syracuse City School District to create the TV Classroom network. WCNY's TV Classroom is targeted for students in grades K-12 and provides curriculum on the subjects of Math, Science, Social Studies, English Language Arts, Health and Fitness, and Arts & Culture, and documentary and learning content from the PBS collection in between. With schools closed and many children without Internet access, WCNY is committed to providing educational opportunities to audiences of all ages. WCNY'S TV Classroom network will allow thousands of children to continue to connect with real teachers and have the continuity of a classroom experience at home in Syracuse and across the 19 counties WCNY serves in Central New York.

Where can I watch GLOBAL CONNECT?
