Broadcast Center hosts a dance contest! 5 people showed off their best dance moves - some with better moves than others, but props to everyone who danced in front of the whole city! Thanks DJ Isaiah for playing great music during the day.

Is $4.00 too much for popcorn at the Café? People seemed to enjoy all the snacks and drinks “Café 7” had to offer! Nothing beats the smell of fresh popped popcorn.
Today’s weather will be a High of 22 Degrees and a Low of 13 Degrees. We sure hope you remembered your winter wear! Tomorrow will be a little warmer, but you’ll probably still want your hat and gloves.

Should there be stricter laws against using a cellphone while driving? Test your distracted driving skills at the Automotive center and see how well you focus on the road while also trying to text!

Please pay attention to where you throw your garbage. Trash cans are here for a reason! Also, do not step on the Grass. Please pay attention to our laws. THANK YOU!!!!!
Write a persuasive article here.

You should go the non-profit organization because they are having a raffle, they are having lots of fun, and they will take donations from any business. This is a great business because they will help you on what you need like clothes, food, and all the services that you and any of the other people might need. This is a great business to visit.

Path to becoming a Doctor

“What the stress balls that Wellness Center sells are great!” –EA Citizen

“I played ‘Lucky Duck’ at Non-Profit and won a free round of Basketball!”

What business has the best customer service and why?

The hospital best customer service because they are polite, kind, and always give a smile. They will help with your needs.

What does the Non-Profit Organization benefit today?

The non-profit is helping the community by donating money and other goods to people.
In our next addition we will talk about how the day is going and how the city is functioning. We will also talk about what we need to improve to make the city even better.
