# Cafe is selling fresh foods

The owner of the Café Abby Carr says that they are selling “fresh” foods for very low prices. You can find them at 401 Greenway Ave. Their café is a very successful business, attracting 20+ customers at a time. The citizens enjoy their food very much and tell that it is good and not that expensive. It is a very nice place to eat and you should consider trying it out.

Shown above from the left to the right are Justin, Nathan, Abby, and Makayla, excellent employees of the café. Well they would be if I didn't get a false accusation 😊

The Best CAFÉ in The WORLD sells:

Popcorn = \$4

Kool-Aid = \$3

Granola Bar = \$2

Trail Mix = \$4

Water = \$2

They are also running a combo:

Popcorn & Drink = \$5
