

Bid Process

- We will open four Boards (W,C,N & Y) of 7 items each and you'll see 7 videos consecutively.
- When you see an item you want to bid on, call 1-866-338-1310 and give the Phone Operator: Board letter, Item number, Item name (ex. Ramada Geneva), your name and phone number and your bid.
- If you want to know what the current bid is on an item, you can call 1-866-338-1310 and ask the Phone Operator.
- Most Boards will be open for approximately 20 minutes for bidding. Some Y Boards will be open longer and receive 2-3 viewings of their videos. These are higher dollar trips.
- When we Recap a Board, it means it is selling soon, so you'll want to place your highest and final bids during this Recap time.
- When a Board is declared Sold, no more bids will be accepted.
- If you are the high bidder on an item, our Confirming Operators will call you in approximately one hour to notify you.
- Once confirmed, your credit card will be charged, and we will mail out the trip to you within 5-7 business days.
