## Broadcast Center

Come on down and sign up for the Dance Contest, give a shout out over the radio, submit a business news advertisement, or provide a song request from a selection from a playlist!

## City Hall

Down in the city hall we enforce the law. Come down to city hall you get a grass pass or a license. Don't forget to pay for taxes. But be careful because if you break a law you pay a fine. If you step on the grass but have purchased a grass pass you shall not be fined and will be free to go. Make sure to follow all the laws but other than that have a ball at city hall!

## Pathfinder Bank

Go to the pathfinder bank! We help you and your businesses leaps. We also provide payroll, check, and accounting services. We secure each business a startup loan. Our employees produce paychecks for all of the citizens in Enterprise America. Our members are provided with a safe and secure financial institution to deposit their paychecks and provide checking accounts. Pathfinder bank keeps your interest in a safe!

## Delivery Center

"Delivery that's faster than a cheetah"

The delivery center will supply all of the other businesses in the city with the raw materials that they need to start their business. We deliver bills, payments, and other important mail in a timely manner to keep Enterprise America running smoothly.

## Café

Are you tired and want to be energized? Do you just want a place to eat and relax. Then get up off the office chair your sitting in to watch this advertise and come ion down to the drip café to experience the explosion of flavors like popcorn, lemonade, trail mix, granola bars and much more. Our employees are experienced with dealing with the demands of our customers. Our employees are warmhearted and take the most careful care of our products and customers. So when you feel hungry, thirsty or both come down to the drip café.

## Wellness Center

Got stress? SOS(Squeeze Our Stress balls). Here at the SOS Wellness Center we will help you get rid of all that stress boiling over the top. We have worry beads, chair messages, stress balls, and your very own special awareness pins. Worry beads will help you take all that worry away. Message chairs release all the muscle strain in your back, and stress balls let you scream out your anger in complete silence. Come down to SOS today!

## Nature Shop

if you've ever wanted to express your creativity, have a friend to make you feel happier about your once gloomy life, or wanted a wonderful piece of jewelry to distinguish you from the crowds, come to the Nature Shop, Here we sell pet rocks, which make perfect companions and are great for cuddles. You can find bracelets and hair clips of all types to fit your strangest looks. The Nature Shop is also the only place in Enterprise America to let you make your own art through sand bottles, and we allow you to express your creativity.

## Web News

Hey you! Are you a thirsty sister looking for some great Tea? Well come down to Weeb News, where we spill it all! We always have the newest and most exciting news! We have the hottest tea in town-No one can beat it! But can you handle the heat?

## National Grid Utility Company

National Grid is a Utility Company which provides power to Enterprise America. You can get normal electrical power but there are other power options. We bill you based on your usage of power. We go around and check the power meter to formulate. So get your power with us or be left in the dark!

## Sign Shop

The Sign Shop is all you need for an eye-catching way to advertise your business. We value each customer and will try exceptionally hard to please customers we want to provide each business with choices of how to bring appeal to their business. Here at the Sign Shop we have a sign, card, frame, or door hanger for every business and logo.

## LAW BREAKING CITIZENS?

Many citizens have been walking on the grass but never got fined. Where is the Police Officer when this happens? Shouldn't he be doing his job and watching people? We will report more on this issue when we are able to get an interview with him.

## Presentations

Today the business owners of Enterprise America spilled the tea on what their companies do for the city. All of the presentations were well put together, and said with passion. Though an unnamed boss didn't say the company slogan, which enraged his workers. How is he going to come back from this?

## Interview

Today our reporters did an interview with Angelo Procopio, a worker from the broadcast center. He says that its important to think about the future when your young because then you can make a plan when your older. he says he would come back, and recommend people to come to the Enterprise America because the work here helps prepare you for the future. According to Angelo the work here is a lot of fun.
