Broadcast Center

You should check or come out the broadcast center and here's why. One thing you will see is the DISC jockey which is an on air music and entertainment. There is also an on air news reporter that give shout outs the reporter is also responsible for actively seeking news and features of the city and current events. Another thing you will see is the sales executive responsible for collecting the on air ads from each shop in the city.

City Hall

City hall houses three branches of government : legislative executive, and judicial. City leaders encourage Enterprise America citizens to be responsible and productive by following the city's laws and taking advantage of a citizen's right to vote. Remember "City hall makes the laws"
