Editorials

Enterprise America is filled with joy and laughter. The citizens love it here and love working for their companies. Everyone is happy with their jobs and enjoy working with other people. Though it might be busy it still is an amazing place to be. Here at Web news, all of us love working together. We get treated with respect. So far no one in our company has gotten a fine! Everyone who works here loves their jobs. Though it may be hard we love our jobs.

“It is hard, stressful, but in the end fun” - Jimmy Hoey the accountant of Web News.

“I love my job, my employees work hard, and we work really well together.” - Annie Walters the manager and editor of Web News

“My job was amazing, I loved going to other business and seeing what they did and how they worked together.”
Chinna Williams

Picture

“I love my job. Though it was stressful at times, we still got a lot of work done,” - Teagan Freeman the reporter and senior reporter of Web News
