It's his birthday!

Today is Mr. Moribito's, birthday, our English teacher we know and love. He has done so much for us this year from being a chill teacher and being a totally amazing person in general. We must bring attention to his mustache we all know it's cool. This is a special day to celebrate for a special person.

Wish him a happy birthday!

Manufacturing shop has the best customer service because they don't wait for the customer to come to them they go to the customer and when customer walk in they are pleasantly greeted.

The Nonprofit org is raising money for cancer research and awareness.
